TRIVENI is devoted to Art, Literature and History. Its main function is to interpret the Indian Renaissance in its manifold aspects.

TRIVENI seeks to draw together cultured men and women in all lands and establish a fellowship of the spirit. All movements that make for Idealism, in India as well as elsewhere, receive particular attention in these columns. We count upon the willing and joyous co-operation of all lovers of the Beautiful and the True.

May this votive offering prove acceptable to Him who is the source of the **TRIVENI**—the Triple Stream of Love, Wisdom and Power!

THE 'TRIVENI' SYMBOL

Padma (the Lotus) represents the purity of Love, Jyoti (the Flame) the light of Wisdom, and Vajra (the thunderbolt of Indra) the splendour of Power.
