NATION ON THE MOVE

Towards reduction of inequality

The income-tax exemption limit has been raised to Rs. 8,000 (it was Rs. 6,000); this brings relief to 7 lakh tax-payers. Side by side, new assesseees have been discovered; last year 1.33 lakh persons were served notice for payment of income-tax.

Today there is ample encouragement for personal saving (savings up to Rs. 4,000 a year are totally tax-free) and there is punishment for those who seek to cheat the State.

TRIVENI is devoted to Art, Literature and History. Its main function is to interpret the Indian Renaissance in its manifold aspects.

TRIVENI seeks to draw together cultured men and women in all lands and establish a fellowship of the spirit. All movements that make for Idealism, in India as well as elsewhere, receive particular attention in these columns. We count upon the willing and joyous co-operation of all lovers of the Beautiful and the True.

May this votive offering prove acceptable to Him who is the source of the TRIVENI — the Triple Stream of Love, Wisdom and Power!

THE 'TRIVENI' SYMBOL

Padma (the Lotus) represents the purity of Love, Jyoti (the Flame) the light of Wisdom, and Vajra (the Thunderbolt of Indra) the splendour of Power.
